## SPORT LINE PERFORMANCE TIRES

### ZENNA SPORT LINE LIMITED WARRANTY

#### 100% FREE REPLACEMENT WARRANTY

American Pacific Industries, Inc (API) hereby warrants every new Zenna Sport Line tire bearing a complete description as required by DOT and manufactured AFTER August 1, 2014 (DOT date code 3414) for workmanship and material related conditions for the life of the original tread of a new tire less 2/32". The life of the original usable tread ends when the tire tread has worn down with only 2/32" remaining, at which point the tire is considered to be fully worn out. API will replace the tire with another Zenna Sport Line tire. All Exclusions listed below void this 100% Free Replacement Warranty. Conditions and coverage are subject to change at any time and without notice.

- A) The Zenna Sport Line tire must be replaced with a comparable new Zenna Sport Line tire by an authorized Zenna dealer. Copy of invoice will be required.
- B) 100% free replacement applies to new first quality tires only that are manufactured after DOT date code 3414. Blemished tires, retreads and road hazard tires are specifically excluded (see Road Hazard Warranty below),
- C) Adjustments on ride complaints or out of round tires are excluded from this warranty if they are worn past 2/32" from the original usable tread of the new tire.

#### LIMITED MILEAGE WARRANTY

- A) If a Zenna Sport Line tire wears evenly down to a tread depth of 2/32 in less than 40,000 miles and in less than five (5) years from date of manufacture, API will credit the owner a pro-rated amount on the actual mileage toward the purchase of a new Zenna Sport Line tire. Costs incurred for mounting, balancing and other service charges are not included in the credit amount and shall be borne by the owner. It is the owners' responsibility to follow the Owners Obligations listed under the Zenna Sport Line Limited Warranty. All Exclusions listed below void this Limited Mileage Warranty. Conditions and coverage are subject to change at any time and without notice.
- B) If a Zenna Sport Line tire is deemed to be adjustable under the Limited Mileage Warranty, then the following procedures must be met.
  - 1) Owner/User must keep updated mileage records on the Mileage Warranty form provided on API's website or at the time of purchase. Tires must be rotated at least every 6,000 miles and documented by the service provider.
  - 2) Original invoice showing purchase of tires must be submitted.
  - 3) Must complete and sign the Mileage Warranty form and submit to an authorized dealer.
  - 4) The Zenna Sport Line tire must be replaced with a comparable new Zenna Sport Line tire by an authorized dealer. Copy of invoice will be required.

Applicable taxes on the new tire and costs of mounting and balancing service shall be borne by the owner. To be eligible, you must present your original invoice showing date of purchase. All Exclusions listed below void this Road Hazard Warranty. Conditions and coverage are subject to change at any time and without notice.
