ULTRA HIGH PERFORMANCE TIRES

ZENNA ARGUS-UHP LIMITED WARRANTY

100% FREE REPLACEMENT WARRANTY

American Pacific Industries, Inc (API) hereby warrants every new Zenna Argus UHP tire bearing a complete description as required by DOT and manufactured AFTER August 1, 2014 (DOT date code 3414) for workmanship and material related conditions for the life of the original tread of a new tire less 2/32". The life of the original usable tread ends when the tire tread has worn down with only 2/32" remaining, at which point the tire is considered to be fully worn out. API will replace the Zenna Argus UHP tire with a new Zenna Argus UHP tire. All Exclusions listed below void this 100% Free Replacement Warranty. Conditions and coverage are subject to change at any time and without notice.

- A) The worn Zenna Argus UHP tire must be replaced with a comparable new Zenna Argus UHP tire by an authorized Zenna Argus dealer. Copy of invoice will be required.
- B) 100% free replacement applies to new first quality tires only. Retreads, tires unserviceable due to Road Hazard and tires described under Exclusions below are not covered.
- C) Adjustments on ride complaints or out-of-round tires are excluded from this warranty if they are worn past 2/32" from the original usable tread of the new tire.

EXCLUSIONS

- A) All Zenna Argus warranties are limited to the original purchaser and the original vehicle on which they are mounted, and are not assignable to subsequent purchasers or vehicles.

 - b) mechanical condition of vehicle, including improper alignment, improper inflation, wheel imbalance, faulty shocks or brakes;
 - c) misapplication of tire; or

 - 3) Cost of mounting and balance service.
 - 4) Loss of time or use, inconvenience, or any incidental or consequential damages except as prohibited by law.
 - 5) Adjustment on out-of-balance or out-of-round tire is allowed only during the first 2/32" of the original tread. A set of all four (4) tires from the same vehicle claimed for out-of-round will not be accepted.
- D) Any Zenna Argus tire submitted five (5) years or more from the date of manufacture as determined by the DOT Serial number is not covered under the warranties listed above.
