100% FREE REPLACEMENT WARRANTY

American Pacific Industries, Inc (API) hereby warrants every new Pegasus LT/PCR tire for workmanship and material related conditions for the life of the original tread of a new tire less 2/32". The life of the original usable tread ends when the tire tread has worn down with only 2/32" remaining as measured in the fastest wearing groove, at which point the tire is considered to be fully worn out. API will refund the cost of a replacement Pegasus LT/PCR tire. Applicable taxes on the new tire and costs of mounting and balancing service shall be borne by the owner. All Exclusions listed below void this 100% Free Replacement Warranty. Conditions and coverage are subject to change at any time and without notice.

- A) The Pegasus LT/PCR tire must be replaced with a comparable new Pegasus LT/PCR tire by an authorized Pegasus dealer. Copy of invoice will be required.
- B) 100% free replacement applies to new first quality tires. Blemished tires, retreads and road hazard tires are specifically excluded (see Road Hazard Warranty below),
- C) Adjustments on ride complaints or out of round tires are excluded from this warranty if they are worn past 2/32" from the original usable tread of the new tire.

FREE ROAD HAZARD WARRANTY

Every applicable Pegasus LT/PCR tire that has been irreparably damaged due to a normal road hazard condition (e.g. irreparable cut, puncture, snag, bruise, or impact break) within 1 year from the date of purchase OR less than 25% of the original tread depth will be replaced free of charge with an equivalent Pegasus LT/PCR tire. Applicable taxes on the new tire and costs of mounting and balancing service shall be borne by the owner. To be eligible, you must present your original invoice showing date of purchase. All Exclusions listed below void this Road Hazard Warranty. Conditions and coverage are subject to change at any time and without notice. ALL ROAD HAZARD CLAIMS MUST BE SERVICED THROUGH YOUR AUTHORIZED PEGASUS DEALER.

Applicable Pegasus Lines with Road Hazard Warranty: Pegasus TOUR AS, HPX SPORT AS, ATX 4S, HTX AS

SATISFACTION ASSURED

All Pegasus LT/PCR tires are covered by the 30 Day "Satisfaction Assured" trial period. If, for any reason, other than an excluded condition listed in the respective tire's Standard Warranty, you are not satisfied with your new set of tires within 30 days of date of purchase - or the first 2/32nds of tread wear as measured in the fastest wearing groove (whichever comes first) - you may exchange all or any one of them for the same number of the same design or similar design API manufactured tires. Mounting and balancing are free of charge (excluding online orders). Owner pays all applicable taxes. If you wish to exchange for another set of API manufactured tires that have a higher cost, you must pay the upgrade from the original purchase price, including shipping and all applicable taxes. If you wish to exchange for another set of tires, which is at a lower cost, you will receive a credit for the difference in cost.

This Satisfaction Assurance guarantee only applies to the original new set of manufactured Pegasus LT/PCR tires purchased and not to the replacement tires under this guarantee.

Administration of the Assured Satisfaction Warranty

Within the 30 days from the date of purchase or the first 2/32nds tread wear as measured in the fastest wearing groove, you must return your tires to the authorized Pegasus LT/PCR tire dealer where you purchased your tires. You must present the original sales receipt and proof-of-purchase. Reason for dissatisfaction must be explained to the dealer (i.e., appearance, ride, handling, etc.) and noted on the adjustment claim form.
