GOLF CART TIRE WARRANTY

100% FREE REPLACEMENT WARRANTY

American Pacific Industries, Inc (API) hereby warrants every new Gladiator (X Comp) tire for workmanship and material related conditions for the life of the original tread of a new tire less 2/32". The life of the original usable tread ends when the tire tread has worn down with only 2/32" remaining as measured in the fastest wearing groove, at which point the tire is considered to be fully worn out. API will refund the cost of a replacement Gladiator X Comp tire. Applicable taxes on the new tire and costs of mounting and balancing service shall be borne by the owner. All Exclusions listed below void this 100% Free Replacement Warranty.

Conditions and coverage are subject to change at any time and without notice.

A) The Gladiator X Comp tire must be replaced with a comparable new Gladiator X Comp tire by an authorized Gladiator dealer. Copy of invoice will be required.

B) 100% free replacement applies to new first quality tires. Blemished tires, retreads and road hazard tires are specifically excluded (see Road Hazard Warranty below),

C) Adjustments on ride complaints or out of round tires are excluded from this warranty if they are worn past 2/32" from the original usable tread of the new tire.

CUSTOMER SATISFACTION

All API passenger and X Comp tires are covered by the 30 Day "Satisfaction Assured" trial period. If, for any reason, other than an excluded condition listed in the respective tire's Standard Warranty, you are not satisfied with your new set of tires within 30 days of date of purchase - or the first 2/32nds of tread wear as measured in the fastest wearing groove (whichever comes first) - you may exchange all or any one of them for the same number of the same design or similar design API manufactured tires. Mounting and balancing are free of charge (excluding online orders). Owner pays all applicable taxes. If you wish to exchange for another set of API manufactured tires that have a higher cost, you must pay the upgrade from the original purchase price, including shipping and all applicable taxes. If you wish to exchange for another set of tires, which is at a lower cost, you will receive a credit for the difference in cost.

This Satisfaction Assurance guarantee only applies to the original new set of manufactured passenger and X Comp tires purchased and not to the replacement tires under this guarantee.

Administration of the Assured Satisfaction Warranty

Within the 30 days from the date of purchase or the first 2/32nds tread wear as measured in the fastest wearing groove, you must return your tires to the authorized API brand tire dealer where you purchased your tires. You must present the original sales receipt and proof-of-purchase. Reason for dissatisfaction must be explained to the dealer (i.e., appearance, ride, handling, etc.) and noted on the adjustment claim form.

EXCLUSIONS

- A) All Gladiator X Comp warranties are limited to the original purchaser and the original vehicle on which they are mounted, and are not assignable to subsequent purchasers or vehicles.

 - 2) Failure, damage or irregular wear due to:
 - a) fire, accident or vandalism;
 - b) mechanical condition of vehicle, including improper alignment, improper inflation, wheel imbalance, faulty shocks or brakes;

 - 3) Cost of mounting and balance service.
 - 4) Loss of time or use, inconvenience, or any incidental or consequential damages except as prohibited by law.
 - 5) Adjustment on out-of-balance or out-of-round tire is allowed only during the first 2/32" of the original tread as measured in the fastest wearing groove. A set of all four (4) tires from the same vehicle claimed for out-of-round will not be accepted.
- D) Any Gladiator X Comp tire produced five (5) years from date of manufacture as determined by the DOT/Serial number are not covered under the warranties listed above.

OWNER'S OBLIGATIONS

In order to be eligible for Gladiator X Comp Limited Warranty service, the dealer/owner must:

- A) At the time of purchase, the tires must be properly installed, correct air pressure set:
 - Every 1,000 miles the tires must be rotated, proper air pressures set and the wheel alignment checked.
- B) Any tire to be adjusted must be presented to an authorized Gladiator dealer.
- C) Present proof of purchase to the satisfaction of the dealer.
- D) Complete and sign a Gladiator Warranty Claim Form which is available at any authorized dealer.
