ABOUT X COMP AND THE SX SHRED EXTREME:

Blake's passion for off-road and high-performance racing is driven by the thrill of pushing limits across rugged, unforgiving terrain and the freedom that comes with it. Alongside Adam Fitza, whose competitive drive and technical expertise are rooted in elite off-road racing, the two represent a relentless pursuit of performance. Blending extreme custom race builds with the harshest conditions on earth, Blake Wilkey, Shreddy and Adam embody more than a brand—they define a lifestyle built on capability, innovation, and adventure.

In collaboration with Blake Wilkey and Adam Fitza, X Comp developed a tire engineered for off-road racing—designed to withstand the toughest terrain and highest demands. Now available to the public, this tire delivers the same level of performance, durability, and pride trusted by both drivers in their race programs.
